Hilton Charlotte Center City Announces New Dinner Series

Coastal's Creative Culinary Dinner Series begins Friday, August 19, 2016

Charlotte, NC – July 25, 2016 – Hilton Charlotte Center City today announced the Coastal Creative Culinary Dinner Series. Being held at Coastal Kitchen, the series consists of three unique, specialty dinners.

The first dinner is Beer vs. Wine on Friday, August 19, 2016 beginning at 6:30 p.m. We have partnered with Mutual Distributing Company and they will be choosing both a wine and beer to serve with each cuisine course. Diners will choose which beverage better pairs with each course of fresh Summer cuisine. At the end of the evening, votes will be tallied and either Adrienne or Laura Lee from Mutual will be crowned the "Pairing Princess".

The second dinner is Sour Mash on Friday, October 14, 2016 beginning at 6:30 p.m. Our sour mash friend, Cameron, from Republic National Distributing Company has chosen four distinct sour mash selections to pair with Chef's Kentucky themed menu including eye of beef with a Dijon horseradish sauce and banana pudding.

The third and final dinner of 2016, Sparkling Wine, is a great way to kick off the holiday season. On Thursday, December 1, 2016 at 6:30 p.m. we will be pairing five delicious bubbly wines with Chef's elegant menu.

Chef Andres Prussing is excited to bring these three specialty dinners to the Charlotte food community. He says, "I like to experiment with different flavors and pairings and to share my successes with individuals who like to try new cuisines".
